

**IN THE UNITED STATES DISTRICT COURT FOR
THE NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION**

COBB COUNTY, GEORGIA,

Plaintiff,

v.

TYLER TECHNOLOGIES, INC.,

Defendant.

Case No. 1:24-cv-00045-LMM

[PROPOSED] ORDER EXTENDING DEADLINES

On July 2, 2024, the parties filed a joint motion for a 90-day extension of the discovery deadline and associated case management deadlines. As grounds, the parties represent that this is their first motion for such relief and that the additional time is justified because they require additional time to schedule and take depositions and to continue to work in good faith to resolve outstanding discovery disputes

Upon consideration, the motion for extension is **GRANTED**. The discovery deadline and other case management deadlines are each extended by 90 days. Accordingly, the case management deadlines are:

Discovery Task	Deadline
End of Discovery	October 30, 2024
Deadline to file Dispositive Motions	December 2, 2024
Deadline to file <i>Daubert</i> Motions	December 2, 2024
Deadline to file Consolidated Pre-Trial Order	December 2, 2024, or 30 days after the resolution of any pending motions for summary judgment, whichever is later.

SO ORDERED this ____ day of July, 2024.

Hon. Leigh Martin May
United States District Judge
